

BROADBAND PERFORMANCE

VX 510 GPRS

**FAST, SECURE, AFFORDABLE
TAKE BUSINESS TO NEW PLACES**

The VX 510 GPRS gives you high speed without the high cost. Flexible. Easy to install. The VX 510 GPRS requires only wireless service and a power source. No network installation or DSL connection required. Plus, the VX 510 GPRS eliminates the problem of using the same phone line for both transactions and business. The VX 510 GPRS. Power on.

WIRELESS SPEED

- GPRS broadband connectivity for lightning-fast transactions
- High-speed processing and thermal printer keep checkout lines moving
- Memory supports value-added applications, plus loyalty and gift cards
- Supports external peripherals such as contactless payment solutions and check readers
- Triple-track card reader accepts all magnetic-stripe cards
- ATM-style interface with large backlit display and bold prompts reduce errors

HIGH-POWERED PERFORMANCE

- Easy-to-install broadband countertop solution—no network installation or DSL connection required
- PCI PED and PA-DSS approvals ensure compliance with the most stringent security standards
- Multiple peripheral connectivity options allow check or contactless readers to be installed in a snap
- Printer designed for easy paper loading, virtually eliminating jams

MADE FOR SMALL BUSINESS

- Perfect for flexible locations—only a power source is required
- Instant broadband connectivity for speedy transactions that don't slow down your business
- Lower cost, superior performance
- The latest, most reliable advances in security

BROADBAND PERFORMANCE
